A FREEHOLD MODERN SANCTUARY

Verticus is a dynamic freehold development that would be remarkable anywhere. Taking root in Balestier - once known as "Recreation Road" - makes it even more exemplary. Rising 28 floors, it houses leisure, sporty and holistic facilities across three stunning sky gardens. Such offering is a rarity in a single high-rise development, designed to thrill for years to come.

VERTICUS

ARTFULLY ARTICULATED

Inspired by Balestier's Art Deco perspective, Verticus is detailed with three-dimensional boxed frames along a cantilevered sky terrace. Five floors up the streetscape, these artful displays present a tranquil environment of lush greenery that awaits your discovery within.
