The Arrival

The arrival lounge is designed like an elegant resort drop-off. Soothing sounds of gently falling water instantly calms the mind. The porch frames a verdant world of luscious greens, welcoming you to a private sanctuary of luxury in nature.

Artist's Impression

Forest Bathing

The landscape and the north-south facing blocks of Royalgreen form a serene setting in nature. Pockets of light stream through lush canopies of young forest trees, against the sounds of singing birds and rustling leaves. It is the perfect backdrop for a much-cherished breather.

50m Lap Pool

A full-length 50m lap pool sparkling with turquoise water forms the centrepiece of the intimate development. Together with a separate children's pool and spa pool, the expanse of water emotes stillness and tranquility, offering splendid views for the 5-storey blocks that are generously spaced apart.

Facilities

Artist's Impression

Dining Pavilion

Royalgreen takes on a mesmerising ambience as the sun sets and the landscape lights up. Even though it is so near the city, the hustle and bustle feel a world away. Unwind over a glass of vintage cabernet, share a tender moment with your loved ones, and linger in the simple joy of being home.

Tranquil Surroundings

Draped in greenery, the rooftop deck presents scenic views overlooking the surrounding Good Class Bungalow areas. Besides the first level, there are also facilities at the roof level such as a tennis court, a gourmet pavilion, and even a hammock garden for you to spend some quality time outdoors.

Location

URA Draft Master Plan 2019

Long established as one of Singapore's premier and most prestigious residential enclaves, Bukit Timah will soon undergo a green transformation with the planned Bukit Timah-Rochor Green Corridor under the Draft Master Plan 2019. This will include a 1.4 kilometre elevated linear park just at the doorstep of Royalgreen, that will run above the Bukit Timah Canal and stretch from Rifle Range Road to Sixth Avenue.

Bukit Timah Railway Station	Elevated Linear Park	Bukit Timah-Rochor Green Corridor
<p>The historic Bukit Timah Railway Station will also be converted into a green oasis. There will be a garden orchard, community spaces including an event lawn, heritage galleries and eateries. It will provide ample opportunities for families and visitors alike to spend quality time in nature.</p>	<p>First phase of the 11 km green corridor in Bukit Timah will begin with the construction of a 1.4 km elevated linear park that could rival the famous New York's High Line.</p>	<p>The green corridor will connect Singapore's three national gardens: Singapore Botanic Gardens, Gardens by the Bay, and Jurong Lake Gardens. Stretching for 11 kilometres, this will give cyclists and pedestrians even more recreational options to explore the island's natural heritage.</p>
