Viva

Abundance of natural light and breeze

The Viva range comprises 2 and 3 bedroom unit types with practical and well-considered layouts.

The 3 bedroom units are classic homes that offer a large living area and good-sized bedrooms. The design not only provides beautiful views of the gardens and lush surrounds, but introduces an abundance of light, so the interior spaces feel bright and airy. The separate living and dining areas also make it ideal for families who prefer to watch TV and entertain guests away from the dining area.

The 2 bedroom units are modern homes that come with 2 bathrooms for extra privacy and added convenience, especially when hosting guests. The enclosed kitchen also keeps the space more tidy, with cooking, cleaning and washing all tucked away from the living area.
